---

## Web Developer

TIRUPPUR ,TN- 641604 | +91 9094656457 | sarankumar2603@gmail.com

### CAREER SUMMARY:

---

I have previous experience working as a PHP developer, but my real interest has always been in Java and Python. I've recently started learning and improving my skills in these languages to build a strong career in web development. I'm eager to join a company where I can apply my knowledge, keep learning new technologies, and grow as a developer through real project experience.

### WORK EXPERIENCE:

---

#### AV7 SCM - HO

Php Developer | JAN, 2025 – SEP,2025

- Worked as a PHP Developer, handling both front-end and back-end development.
- Used PHP, HTML, CSS, JavaScript, jQuery, and SQL to build and maintain web applications.
- Developed internal web projects used by the company for daily operations (not for public use).
- Contributed to multiple projects, from designing responsive interfaces to managing databases.
- Collaborated with the team to ensure smooth functionality and performance of web systems.

### PROJECTS:

---

#### Desk Master

- Developed a web-based staff seat allocation system for company employees.
- The system allows the admin to allocate and update seating arrangements easily.
- Built features for seat assignment, seat change, and real-time seat status updates.
- Designed for internal company use to manage workspace allocation efficiently.
- Contributed to both front-end and back-end development using PHP, HTML, CSS, JavaScript, and SQL.

### EDUCATION:

---

2021 – 2024 | Erode Arts and Science College (Affiliated to Bharathiar University)

Bachelor of Computer Applications – (BCA)

Percentage: 07.435 CGPA.
